

For readers aged 14+, introducing a new young adult series written under the name **M.G. Reyes: EMANCIPATED**

(available as US import only, from May 26th)

**IT'S LA AND CONFIDENTIAL**

Six gorgeous teens, all legally emancipated from parental control, move into their dream house on L.A.'s infamous Venice Beach only to discover their perfect setup may be too good to be true. The roommates—a diva, a jock, a former child star, a hustler, a musician, and a hacker—all harbour dark secrets but manage to form a kind of dysfunctional family. Until one of them is caught in a lie and everyone's freedom is put on the line. How far are they each willing to go to hide the past? And who will they betray to protect their future?

"Told from alternating points of view, *Emancipated* is the first book in a blistering guessing game of a series packed with intrigue, romance, and scandal."

## The first BOOK in a thrilling new action adventure series GEMINI FORCE ONE

### WHOLE SCHOOL PRESENTATION

Using videos, music and photos showcasing the exotic locations and imagery of her books, MG can entertain a hall-full of young people with stories about writing, publishing and of course, snippets from her books. All through the event there'll be opportunities to ask questions.

### SMALLER WORKSHOPS

In a workshop suited to 10-30 students, MG will lead you through the classic five-part story structure that forms the basis of most Hollywood screenplays.

Young people will be able to create a detailed outline for their own blockbuster, working as a group, with MG facilitating the process.

You may be surprised to discover which students have what it takes to crack plot problems!

### BOOK SALES

If you plan to sell books at the event, parents should ideally be notified in writing **at least a week** in advance so that children can be given money should they wish to buy.

### Ways to sell books in school:

1. Contact a local bookstore and ask them to run a stall at your event. The bookseller will sell copies direct and may offer a discount.
2. Ask a local bookseller to supply copies and then invoice you for the number sold.
3. MG can supply copies of THE JOSHUA FILES—INVISIBLE CITY
